

## Break From Atlant

6LACK

That smile on your face makes it easy to trust you

I heard they want war well I got that down  
Gone worry that down  
Would you do it for the camera  
Hollywood a long way from Atlanta  
Yeah I got a little tired of the haters  
Packed up then I hit LA  
Read about pretty little thang  
Oh lord and she make me wanna stay  
But a nigga gotta go now, now  
Am I moving to fast?  
Baby do I need to slow down, down  
You ain't never went to sleep  
Work a lil, woke up in the back of a Escalade  
Slindin' through the city runnin' escapades  
Everything I'm doing is destiny  
So I'm at it all day like desperation  
Is he rapper or do he sing  
Is he even human, I'm a angel you can see them wings  
I live for a lunch on the strip, so casual  
Nights in the lab so magical  
I told her I would stay but I had to go  
But believe I'm coming back right after though  
"Scandal" all day in the "A" baby you can check the catalog  
Invite her over for the foreplay girl gone head get the shower  
rod  
She a pro on the low don't know why she trying play like an ama  
teur  
Long Beach 4 week then its back to the East  
I'm in Panama then Atlanta y'all (yeah yeah yeah yeah)  
Riding down Mel Rose in the night time  
Cause girl we never know what we might find  
Same nigga since day one yeah  
Now we out in LA and you got a new playground (yeah)
