Let Her Go

6LACK

Ay
Are you?

Are you tryna get back at me?
You can't let 'em win, all they really wanna do is distract me
She like, "Who you foolin'? You been out here tryna make a movie, ay"
She like, "Boy, it's a two way. Groupies only followin' what you say", aye, aye
It's a sham 'cause they all know who I am (who I am)
Overlooked, now they think they understand (understand)
Got a Benz that'll put 'em in a trance (in a trance)
I can't let my baby slip up out my hands, damn

Yeah
If I let her go (woah)
Will I regret it? Will I forget it?
Well, it's somethin' I don't know (woah)
Well it's somethin' I don't (it's somethin' I don't, uh)
If I let her go (woah)
Will I regret it? Will I forget it?
Well it's somethin' I don't know (woah)
It's somethin' I don't know

You know, you the main attraction (ah, ah, ah)
I can't hear nobody else for the love, I need you for that action
And she like, "Who you tryin'? I ain't the only one that you been eyein'"
I'm like, "Woah must me two sides" (woah, fine)
She love me, she love me not, it's time to choose sides (whoa, whoa, my, God)
It's a shame, how could I be runnin' game (running game)
After all the trials, after everythin' (everything)
Wedding ring, I can change your last name (last name)
But I can't let 'em get my baby outta pain, aye

Yeah
If I let her go (woah)
Will I regret it? Will I forget it?
Well, it's somethin' I don't know (woah)
It's somethin' I don't (somethin' I don't, uh)
If I let her go (woah)
Will I regret it? Will I forget it?
Well, it's somethin' I don't know (-thin' I don't know, -thin' I don't know)
It's somethin' I don't know (somethin' I don't know)
(Let her
Let her go, let her go, let her go, let her go, let her go, let her go, let her go, let her go
Yeah, yeah, go)

People will get me like I'm crazy
I just think dick is a distraction, you know, like
Niggas ain't shit, and bitches ain't shit, either
Me personally I just, I can't afford distraction
Uhm, so, that's what I feel like niggas are
