

I'ma write you my best song  
It's gon' take me all night long  
I was up late by myself  
I ain't never need no help  
I will love you when you're old  
And you lose the words you spoke  
Time will never wait on us  
But it never can age our love  
Aw, yeah

Say you'll always be my greatest fan  
Sing your favorite words just like a band  
Only if you'll love me like a stan, stan, stan, aw, man  
Down to walk the walk until the end  
The prize, you find a lover and a friend  
Baby, I'ma love you like a stan, stan, stan, aw, man

All that I  
All that I wanna do  
Is put it on, put it on, put it on, put it on the line

Hoping we go out at the same time  
'Cause life without my love is a slam-run  
That mean it works out but it ain't quite-  
What it 'posed to be that ain't all right  
I'm just thankful that I could find you  
Seems like I was always behind you  
I ain't worried 'bout no Alzheimer  
No, I don't need no fuckin' reminder  
Aw, yeah

Say you'll always be my greatest fan  
Sing your favorite words just like a band  
Only if you'll love me like a stan, stan, stan, aw, man  
Down to walk the walk until the end  
The prize, you find a lover and a friend  
Baby, let me love you like a stan, stan, stan, aw, man

All that I  
All that I wanna do  
Is put it on, put it on, put it on, put it on the line  
(Put it on, aw, man)  
All that I (all that I)  
All that I wanna do is  
Is put it on, put it on (put it on), put it on, (put it on) put it on the li  
ne  
Put it on the line

People go through life not knowing  
Not knowing what love is  
People go through life not showing  
Not showing what love is  
I mean  
It's like you think you know, but you don't really know  
Then you find out, wow  
You gotta learn things slow  
But one thing I know

One thing I know  
You, you got  
You got all my love
