

175 on the bpm right now, I'm really panicking
I can't lie, all the shit I put in my body is really damaging
Mama ain't mad, just scared of the way I cope and how I handle
things
All of the shit that's good for me always end up abandoning

Not doing well with handling how you played me
Really feel like I'm gambling my life lately
Really feel like I've been going out of my mind lately
Never come down, in the clouds, I'm livin' the high life baby

Came in with a big heart, then I walked out numb, you really di
smantled me
Boeing 737 stuck on the phone, I don't like answering
Tried to put out that flame in my soul, you came with a grin an
d gasoline
Every bitch like that, found that out upon further examining, h
uh

All this baggage isn't worth unpacking
Getting addicted to what's wrong and shit that's really bad for
me
Falling fast, spiraling down, don't question why's this happeni
ng
Everything that I thought this would be, not what I was imagin
