

Ain't that amazing
That you turned me to a casualty, drinking until it's trouble b
alancing
Lately I'm getting like way too damn wasted
Don't like how shit been unraveling, sometimes I feel like I'm
traveling
Through hell, I don't know if I'll make it
I don't know
But I'm alone, way too much time alone
Like I don't know
When's the last time I was fine? A long time ago

No more talk of that, hey, I'm falling back
There ain't nothing wrong with that
Hey, I'm high as hell
This the only way I've found I can hide from hell
I feel like I'm on the way
I'm going there either way
I'm going there either way
I feel like I'm on the way
I'm going there either way
I'm going there either way
I really hope you see what you did
You ruined my love, I'll never forgive
The old me is dead, I hate who that is
I really hope you see what you did
You ruined my love I'll never forgive
The old me is dead, I hate who that is

Ain't that amazing
That you turned me to a casualty, drinking until it's trouble b
alancing
Lately I'm getting like way too damn wasted
Don't like how shit been unraveling, sometimes I feel like I'm

Through hell, I don't know if I'll make it
I don't know
But I'm alone, way too much time alone
