

## CANT!

60

You can't make me happy no more  
You can't make me happy no more  
You can try but it ain't gon' work for you  
I'm sorry but you can't  
Can't  
You can't  
You can't, yeah

You can't heal my pain no more  
You sure? I'm sure  
I'm done, I'm worn  
I can't feel no pain no more  
So numb, I'm torn  
Down to my core

Back then, wished I was numb  
How dumb? So dumb  
I'm numb, how dumb, so dumb  
Take me back to how I was  
No more pain but now I can't love  
I can't love  
I can't love  
I can't love  
I can't love

You can't make me happy no more  
You can't make me happy no more  
You can try but it ain't gon' work for you  
I'm sorry but you can't  
Can't  
You can't  
You can't, yeah

You can't heal my pain no more  
You sure? I'm sure  
I'm done, I'm worn  
I can't feel no pain no more  
So numb, I'm torn  
Down to my core

Down to my core
