

It's nothing to see here, it's nothing to worry about
It's nothing to me at all, I just wanna work it out
Ooh oh, ooh oh, ooh oh
Ooh oh, ooh oh, ooh oh, ooh oh
It's nothing to see here, it's nothing to worry about
It's nothing to me at all, I just wanna work it out
Ooh oh, ooh oh, ooh oh, ooh oh
Woah woah, ooh oh, ooh oh

I noticed it early I tried to ignore it
It's toxic, I tried to break down and restore ya
And it's not what I want but my God I adore ya
I should stop but I won't, I was numb way before ya
But I can't go back, it hurt way too bad
Wanna tell you the truth but don't wanna make you sad
I get so used to you but sometimes it just don't add
I get so glued to you but sometimes it just don't add

It's nothing to see here, it's nothing to worry about
It's nothing to me at all, I just wanna work it out
Ooh oh, ooh oh, ooh oh
Ooh oh, ooh oh, ooh oh, ooh oh
It's nothing to see here, it's nothing to worry about
It's nothing to me at all, I just wanna work it out
Ooh oh, ooh oh, ooh oh, ooh oh
Woah woah, ooh oh, ooh oh

It's nothing to see here, it's nothing to worry about
It's nothing to me at all, I just wanna work it out
It's nothing to see here, it's nothing to worry about
It's nothing to me at all, I just wanna work it out
