

Used to calling your name  
It was all that I'd say  
Shit went bad, it all changed  
Think I made a mistake  
Used to you but I changed  
Karma's coming my way  
Blowing up in my face  
Face, face

Dripping from head to toe in Dior  
Bag coming in, the checks, they be nonstop  
100 bands not enough need some more  
Money done turned me into a monster

Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh

I feel like a monster  
Numb and chasing commas  
Forgetting where I come from  
Forgetting where I come from

Used to calling your name  
It was all that I'd say  
Shit went bad, it all changed  
Think I made a mistake  
Used to you but I changed  
Karma's coming my way  
Blowing up in my face  
Face, face

Dripping from head to toe in Dior  
Bag coming in, the checks, they be nonstop  
100 bands not enough need some more  
Money done turned me into a monster

Oh, oh, oh, oh  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
Oh, oh, oh, oh

Used to calling your name  
It was all that I'd say  
Shit went bad and I changed
