Let Go

```
I let go
I let go
I let go
I let go

Keep me alive as long as you want
I will survive as long as I'm numb
Keep me alive as long as you want
I will survive as long as I'm numb

I let go, I let go 'cause I can't think straight
I let go, I let go 'cause I can't think straight
I let go, I let go 'cause I can't think straight
I let go, I let go 'cause I can't think straight

Can't think straight, can't think straight
Numb myself out, up my intake
Intake, my intake
Leave this mess for you to fixate
Keep me alive as long as you want
I will survive as long as I'm numb
Keep me alive as long as you want
I will survive as long as I'm numb

I let go, I let go 'cause I can't think straight
I let go, I let go 'cause I can't think straight
I let go, I let go 'cause I can't think straight
I let go, I let go 'cause I can't think straight

It's burning down
I can't get out
I can't get out
I can't get out
I'm fading out
I'm fading out
I'm fading out
I'm fading out

It's burning down
I can't get out
I can't get out
I can't get out
I'm fading out
I'm fading out
I'm fading out
I'm fading out
```
