

Tryna stay in touch with my routes, hey  
Just be smart and just do whatever you say  
Just lay low with you and sip on some D'ussé  
Would do anything for you to stay  
Think I need you to stay  
What I would do without it  
Don't wanna think about it  
Don't wanna think about it  
Baby, you keeping me polished

You don't find love in a wallet (you just don't)  
Gave me a whole 'nother option (beautiful)  
You don't even care if I'm poppin' (or I'm broke)  
Even worth nothing, got stock in me

Reasons to give up, let me tell you, I got plenty  
Demons on me, that be the truth, no it's not trendy  
Been a couple times they intruded and not gently  
Ask Nisey or Dionell, god sent them to get me

Tryna stay in touch with my routes, hey  
Just be smart and just do whatever you say  
Just lay low with you and sip on some D'ussé
