

Knot

7 Year Bitch

You kissed me once
And you kissed me twice
With your mess of slobbering lips
With dribble in my bra
I wait until you turned around
And wiped it on my pant leg

Oh now I'll sign this paper for everyone to see
And now I'm up here singing for everyone to hear
Now I'll sign this paper for everyone to see
Now I'm up here singing for everyone to hear

You
Especially you
It's all for you
It's because of you

My lungs are filled with smoke
Eyes light and hazy from too many tears
Red and glossy from too many beers
And my stomach shapes into one big knot
My stomach shapes into one big knot

Oh now let's stop hangin' around this lame town
Take another lookin' at your stupid frown
Looking down, down, down at the ground
Looking down, down, down at the ground

You gotta turn the other way to avoid that clown
I gotta turn the other way to avoid that clown
I gotta turn the other way to avoid that clown
I gotta turn the other way to avoid that clown

And I'm amazed at the gamut
Oh I'm amazed at the clarity
Yeah I'm amazed at the rage in me

Crushing
Crushing
Crushing
I'm getting crushed
From loving you too much

You kissed her once
And you kissed her twice
Now I can no longer be so nice

With the fury on my brow
It's all your fault jerk
What's that sittin' on your pant leg?

And I'm amazed at the gamut
Oh I'm amazed at the clarity
Yeah I'm amazed at the rage in me

My stomach shapes into one big knot
