## 7eventh Time Down

It started out when I was just a young kid  
No matter what I did  
I couldn't get enough of it  
I was a broken one, A trigger on a loaded gun  
I could show you my scars  
And how to get some

I've never been one to fight fair on my own  
But this has taken me down, now I can't get home

I've been a dark horse  
Running for way too long  
Chasing down dreams  
Where I don't belong  
And I could try  
for the rest of my life  
To give up everything  
while I beg to die  
I've been a wild one  
Playing for way too long  
In and outta games where I've never belonged  
So tell me what it means  
Can anybody tell me what it means  
To be Free

A chain without a lock I don't know how to stop  
Underneath my skin  
A hunger that will never quit  
I've been a broken one a trigger on a loaded gun  
I can show my scars and how to get some

I've never been one to fight fair on my own  
But this has taken me down, now I can't get home

I've been a dark horse  
Running for way too long  
Chasing down dreams  
Where I don't belong  
And I could try  
for the rest of my life  
To give up everything  
while I beg to die  
I've been a wild one  
Playing for way too long  
In and outta games where I've never belonged  
So tell me what it means  
Can anybody tell me what it means  
To be Free

All I wanted to see was you face to face  
All you wanted from me was the chase

I'm a dark horse on the coarse on the run  
A dark force chasing me like I'm Forrest Gump  
I'm on the floor but I'm begging for the Lord to come  
I'm in a war for my soul but I ain't got a gun  
I need a cure for the disease that I suffer from

Who will set me free  
Can I find someone  
Freedom!
