

I'm Free

7eventh Time Down

I've been in my feelings lately
Lonely lost and going crazy
Just giving up
Like I forgot who I was
When did I start blindly chasing
Empty lies and accusations
They don't own me
They don't narrate my story

Every time that I get here
Show me how I can think clear
Take the doubt, make it disappear
Tell me what I need to hear

I was bound and broken
But I've been set free
I got no chains on me
No guilt, no shame on me
I am saved, forgiven
I've been redeemed
I got no chains on me
No guilt, no shame on me
I'm Free
I'm Free

You say I'm a new creation
I don't see a new creation
That's just not truth
Help me to see like you do
Every time that I get here
Show me how I can think clear
Take the doubt, make it disappear
Tell me what I need to hear

I was bound and broken
But I've been set free
I got no chains on me
No guilt, no shame on me
I am saved, forgiven
I've been redeemed
I got no chains on me
No guilt, no shame on me
I'm Free
I'm Free

Free at last, thank God almighty
I'm free at last, thank God
Free at last, thank God almighty
I'm free at last, thank God
Free at last, thank God almighty
I'm free at last, thank God
Free at last, thank God almighty
I'm free at last, thank God

I was bound and broken
But I've been set free
I got no chains on me

No guilt, no shame on me
I am saved, forgiven
I've been redeemed
I got no chains on me
No guilt, no shame on me
I'm Free
I'm Free
I'm Free
I'm Free

Free at last, thank God almighty
I'm free at last, thank God
