

# Jesus Machine

## 7eventh Time Down

Life is super sonic  
We've gotta be the body to rock it  
Like we're never gonna see it again  
We are exploding, the world is gonna know it  
We'll rock it like you're never gonna see us again

Come on over  
Come on over

We are the heart of the Jesus machine  
I hope you know what that means  
Get on the bus come on and rock it with us  
We are the heart of the Jesus machine

Faith is so bionic  
You know you're gonna want it  
It's stronger than your money  
Or your million dollar honey

Love is like a drug  
You're addicted once you're bitten  
We know where to hit it  
If you want it come and get it

Come on over  
Come on over

We are the heart of the Jesus machine  
I hope you know what that means  
Get on the bus come on and rock it with us  
We are the heart of the Jesus machine

We're gonna rock it  
Till the ground starts shakin'  
We're gonna rock it  
Till the ground starts breakin'  
Come on over  
Come on over

Love is like a drug  
You're addicted once you're bitten  
We know where to hit it  
If you want it come and get it

We are the heart of the Jesus machine  
I hope you know what that means  
Get on the bus come on and rock it with us  
We are the heart of the Jesus machine

Come on, come on, come on  
Come on, come on, come on  
We are the Jesus machine  
If you want it, come and get it
