

Promises

7eventh Time Down

I got a suitcase full of empty promises
Don't believe a thing that this world says
It's kinda like wishing on a falling star
A temporary fix for a broken heart
Everything here just falls apart
Cuz nothing compares to the way You are

All I need is You
You're the hope in this life
I can't deny
All I need is You
I've seen it again and again
I can stand
On Your promises

One thing I've found in all my weakness
Is that I find my strength in the name of Jesus
Oh You lift me up I feel ten feet tall
Standing with You I could never fall
Listening close to the Spirit's call
My Savior my All and...

All I need is You
You're the hope in this life
I can't deny
All I need is You
I've seen it again and again
I can stand
On Your promises

Standing
Standing
Standing on the promises Of...

All I need is You
You're the hope in this life
I can't deny
All I need is You
I've seen it again and again
I can stand
On your promises

God I need You
You're the hope in this life
I can't deny

All I need is You
I've seen it again and again
I can stand on the Promises of God
Glory in the highest I will sing
Standing on the promises of Christ my King
