

## Trust

### 7eventh Time Down

You told me to love somebody like I love myself  
You call me to do these things with you I won't fail  
I can do the impossible, reach the unreachable  
You provide miracles everyday  
I surrender it all there's power in your name

You love me, and I love you, you are for me, I believe you  
God you got me, and I trust you, I trust you  
With you I can roar like a lion, face the giants  
Walk through the fire cause I know you're with me  
Jesus, I trust you, I trust you

I won't deny the grace you have for me  
Oh, Jesus your love is sweet it sets me free  
Nothing's impossible, love is unstoppable  
I'm seeing miracles everyday  
I surrender it all there's power in your name  
Your mighty name

You love me, and I love you, you are for me, I believe you  
God you got me, and I trust you, I trust you  
With you I can roar like a lion, face the giants  
Walk through the fire cause I know you're with me  
Jesus, I trust you, I trust you

I'm gonna trust you right now, right now, right now  
I'm gonna trust you right now, right now, right now  
I'm gonna trust you right now, right now, right now  
I'm gonna trust you right now, right now, right now

You love me, and I love you, you are for me, I believe you  
God you got me, and I trust you, I trust you  
With you I can roar like a lion, face the giants  
Walk through the fire cause I know you're with me  
Jesus, I trust you, I trust you
