

## Face Defeat

7L & Esoteric

Let 'em feel it  
It's the E-S, take a deep breath, beat death  
Vocals eat flesh, like mesh  
Puttin holes up in ya weak chest, ya must check this  
I'll take your necklace, leave you neckless  
Respect this, it's back to basics  
I come through in an A-6  
You come through in Asics
