

# Perfect Person

7L & Esoteric

I got six pairs of Nikes by the front door  
I got six more by the TV so it's war  
The only time I pick em up's to put em on my feet  
And that's the reason why my girl  
Is trying to kill me in my sleep  
Every time I go to change the trash bag in the barrell  
It gets stuck because it's overflowing with dirty apparel  
I don't do laundry, I just buy new socks and undies  
I don't give a f\*\*k, I been this way since I was rocking Gumbies  
I love this girl to death but I'm startin to wonder,  
"Does she love me back? Or does she really want me six feet under? "  
Cause she claims I don't do anything around the house  
But play a game of cat and mouse with Foxy and Neo  
Yo they tearin' up the couch  
I said I love em, she said if you really loved em  
You would change their kitty litter, not just feed them crap and bug  
em  
Please, back on up cause you're in the way  
I'm trying to watch the game, girl. Is that okay?  
"My friends all say... "  
Your friends all say nothin. I'm tryin to hear today.

You don't wanna kill me, you wanna mould me and build me  
Until I'm the perfect person for you but I think that's silly (It's t  
rue)  
You don't wanna beat me, you wanna school me and teach me  
Until I'm the perfect person for you but you cannot reach me (Nope)

Now this situation, livin with a mental patient  
Posin as my girlfriend got me lookin for some ventilation  
And I kick my feet up when I'm home, I turn the heat up, leave the se  
at up  
That leads up to me gettin hands beat up, she's G'ed up  
I know she's thinkin I ain't worth a buck in change  
If I'm not sellin records on the wall and no she fuckin frames  
I can't explain the pain I go through  
Karma's like that so I told you  
You can go to family functions for brownie points and get nothin  
But mashed potatoes and stuffing, have fun, uncomfortable hugging  
That goes hand in hand when man meets woman's fam  
You understand? I do. I used to view her as this undomestic goddess  
Now the Food Network and Rachel Ray have taken her away  
I know you're thinkin, "Dude, don't complain."  
I'm not complainin, I'm explainin how she's drainin every brain muscl  
e inside my cranium  
And yo maybe I'm nuts. I never said she's feminazi  
But she's trying to turn her boyfriend into Emeril Lagasse  
And I can't do that, I'm a plan to pack  
How I look comin home with a can of that?  
How'd I look comin home with a Santa hat?  
You know I buy you things, you can handle that (Right?)
