7L & Esoteric

Esoteric, we're gonna play a little game  
I'm gonna give you a word, you tell me exactly what comes to mind  
Cool, let's go

Brain - tumor, suede - Puma  
Natalie - true, Liv Tyler - rumor  
Lionel - my man, weapon - mic stand  
Moogoo - gai-pain? Essex - fry clan  
Sample - truncate, 45 - drum break  
Mescaline - dumb fake, rent money - month late  
Aguilera - lame slut, Cameo - change cut  
Lance Rivera - shank up, Rawkus Records - bankrupt

Sittin here gettin my brain exam'd  
Like I'm a, deranged man with the strangest plan  
I got the, seat reclined in the therapy spot  
The psycho-analyst is lookin at me like I'm a crackpot

Now sit back and relax - I'm doin that already  
Please keep your hands steady - Why? - Your face is all sweaty  
Yo I'm ready to heave  
Mr. Ryan just breathe  
I'll do a few more of these, then I'm gonna leave

Okay Tom Cruise - Rain man, Elton John - gay man  
Backpack - wack flow, fur coat - Fat Joe  
Farrakhan - Nation, mad soul - Haitian  
A title, for this joint? Word Association

"Listen up as I take out the rhyme book"  
"From the rude attitude, done got in it to win it"

Okay, now tell me a little bit about your education  
I didn't breeze through school, well actually I did  
I breezed through the campus center back to my crib  
You like to socialize? - Yeah - Well that's no surprise  
Plus it's somethin that a lunatic mostly denies  
Chill, whatchu tryin to say, that I'm about to explode?  
My last crazy episode was during (?)nematode(?)  
"Disguising his microbiotics.." that was dope  
Well it goes without saying like old folks, continue

Okay Tiger - Chun Li, Crocodile - Dundee  
Big pimp - Rocky V, hook shots - from three  
Revelie - no crew, nerd bath - tofu  
Richard Lewis - beaucoup, where is he? No clue  
Groupies - free throws, Aria - need hoes  
Chinatown - peep shows, cellos - umm, cheap clothes  
Pedophile - pulpit, De La - cool skit  
How do you feel about this exam? I think it's bullshit!

"Well, well, well! I'll be damned"  
"Say what?" - "is the word" - "I don't know"  
"Like I.. like I said before.." "Listen up as I take out the rhyme book"  
"I'm dead serious and I won't fess it.." "... but chill 'til I finish the third verse"

"Now, listen-listen to the past"

This is going well, tell me a little about uhh, Metzer

The punk stand front and center  
Red carpets roll, ladies trumpet as they enter  
Light years beyond, my title's number one contender  
Mind of an inventor with the grace of a fencer  
Look, I gives a f\*\*k if you're white, black or octaroon  
I'll lock you in a room, make you pop balloons  
Filled with toxic fumes, yeah you shoulda bought a tomb  
Cause Esoteric puts the Metal to your Face like Dr. Doom

Is-is that true? - Nah but it's a hot rhyme  
Just give me a word, I'll say what pops to my mind  
Okay cell - phone or prison? Esoteric - vocalism  
Freestyle - old tradition, Mass Ave. - Pole Position  
Dirtbag - copperhead, Trevski - knock him dead  
Big troops - knuckle up, Jedi Mind - f\*\*k you up  
Diesel - buttonfly, Kool Keith - Russian spy  
No press - no Es, hope chest - slow death  
This a joke? Hell no, kangaroo - velcro  
Fat lace - shelltoe, Spud Webb - Elmo?  
Letterman - great host, Moltar - Space Ghost  
Applebee's - tastes gross, lap dance - pesos  
Kid Rock - white trash, Limp Bizkit - don't ask  
Handgun - under stress, LSD - Hunter S.  
Thanks for your time  
Peace  
That I can't allow  
Huh?  
You're legally insane, you'll be living here now  
What?
