

BALCONY

80purppp

See the way the wind blows
I can't understand it no
Curtains blowing side to side
This might be the pinnacle
You don't understand most people
But you understanding me though
I just poured another drink
Both hands on my head now
You're standing on the balcony
I'm laid up in the bed now
You ain't really like most people
You ain't really like (like)

Know you've been lonely
You don't do this often, do you?
Low key
I got some opinions on you
I'm voting to kick you off this island cause of my emotions
You get bored, on the away
Do it right [?]
Nothing to say
Please don't go and lose your mind, your pretty face
It's forever in the way of our sanity

Don't know what the look in your face is for
Why the fuck am I feeling ways
When all I wanted was to make your
(Fantasy turn into reality, suddenly)
Why the fuck are we fighting for
It feels like I'm fighting more
You need me in your head and while I fight them in your stead
Guess I [?] both
(Suddenly say she wants to fuck on me, it's fine with me)
I do not mind it

See the way the wind blows
I can't understand it no
Curtains blowing side to side
This might be the pinnacle
You don't understand most people
But you understanding me though
I just poured another drink
Both hands on my head now
You're standing on the balcony
I'm laid up in the bed now
You ain't really like most people
You ain't really like (like)

Where's my phone?
It's right here
Just [?] I never asked your name
I never asked your name
