

## Cliché?

80purppp

I don't wanna be a nobody no no no friends  
I think about your body in the morning all the way until the day ends  
I need somebody  
So believe in somebody  
Need a place that imma put that imma put all of my feelings

I don't wanna be a nobody no no no friends  
I think about your body in the morning all the way until the day ends  
I need somebody  
So believe in somebody  
Need a place that imma put that imma put all of my feelings
