Must have been a fool to ever think it could be me

Coulda been a movie  
But I'll settle for a love song  
And you ain't gotta boo me just tell me that I love wrong  
Gloves on

Maybe I just wasn't-  
Baby I been buggin-  
Lately you been actin shady, uh

Thought you was down for a nigga  
Didn't take you long to look around for a nigga, by looks of it  
you really scraped the ground for a nigga  
You bound for a nigga  
I got rounds for the nigga  
And I'll pull the trigger

It's like a symphony  
Bet you let him hit it like a timpani  
I guess I really wanted you to simp for me  
Want you to sin for me  
And I mean sinfully (Mhm)

Shoes off prolly if you comin in my  
A new bop beama in my sim simma  
I cruise off listening to J Dilla  
A new spot iller than la casa triller  
Bigger than the very hungry caterpillar it's up-
