Room service

Think that I would feel much better  
If I got another round to my door  
I don't even really like crown anymore  
I'd be lying if I said I don't cry anymore (I'm dying still)  
Think that I would feel much better  
If I went into this time next year  
I cannot describe it but my time is near  
I'm alive, but we're running out of time I fear

That clock it ticks I need it so much more  
Just leave your things at the door  
I need you to just ignore  
All the dirt I did you before  
And you know  
I understand these consequences of mine  
But to tell me not to think about the big world out there

These bitches mental and I'm blessed, I'm blessed  
Two bitches in my bed, my bed  
You needed me  
And I needed you  
Why else would I tell you to come through?  
And you got that text  
So why you so damn pressed?

I'm tryna find a new falsetto  
I'm tryna find a flow  
I'm tryna find somebody that will know  
I'm tryna find a brand new hoe  
I really wanna  
I really want someone to fill the role  
I really don't wanna stay still  
I don't wanna  
I don't wanna  
I wanna quit the pills  
I wanna feel full  
Cause it can get lonely you fighting these wolves

I'm tired and I need it so much more  
Just leave your things at the door  
I need you to just ignore  
All the dirt I did you before  
And you know  
I understand these consequences of mine  
But to tell me not to think about the big world out there

These bitches mental and I'm blessed, I'm blessed  
Two bitches in my bed, my bed  
You needed me  
And I needed you  
Why else would I tell you to come through?  
And you got that text  
So why you so damn pressed?

What's going on?

Can you hear me?  
I can feel that you been so cold and all  
And you're thinking things that can make you sick  
So broken off  
When the snow falls  
When the snow falls

These bitches mental and I'm blessed, I'm blessed  
Two bitches in my bed, my bed  
You needed me  
And I needed you  
Why else would I tell you to come through?  
And you got that text  
So why you so damn pressed?
