

## Unstable

80purppp

Sometimes wanna pick up that 30 and blow all my brains out I'm  
plottin on shit uh, niggas can get off my dick, they just gon s  
tay on my dick, uh, I'm runnin I'm chasin paradin the work almo  
st pay off I know you can see it, goin to sleep on the weekend,  
wake up again and then fight all my demons unstable

That shit make me able, not fuckin disabled, don't give me no l  
abel, I'm flippin yo table, these niggas so fake its like they  
made of legos, add base and no treble, you don't want no troubl  
e, cause I am a rebel, and I seen the devil, you not on my leve  
l

How can it be an ability that I don't wanna talk to no one  
Roll up my sleeves and the love scars cry oh why would I trust  
someone  
How can it be that the nicotine helps makes the whole damn worl  
d more fun  
And how can it be that the only way out this pain is to hurt so  
meone

Drugs, I can't get enough, it might be yo love it might be the  
puffs, I'm breaking your trust, I'm sorry I had to get over the  
cuts, I give to myself, you fill up the void with plenty of st  
uff, it might be yo wealth, take care of yo health

If there's no liquor I leave, poppin a pill for the week, pitch  
in ten bones for the week, we lucky if that shit even last a we  
ek  
If you is fake you could leave, mmm, I feel like you is asleep,  
mmm, wake up and then fall back asleep, the demons inside they  
eat away at me unstable

That shit make me able, not fuckin disabled, don't give me no l  
abel, I'm flippin yo table, these niggas so fake its like they  
made of legos, add base and no treble, you don't want no troubl
