

## Wrap Up

80purppp

You told me millions of types of lies, like what the fuck, and  
everytime that I look in your eyes, they tell me nothing, and y  
ou know I'm not good at goodbyes, but listen up it's a wrap

Said you were my one and only girl, polyphonic pearl, prolly wa  
nted something, prolly wanted something when you became my whol  
e world, catastrophic whirl, smiling while you twirl

Patience ain't my strongest suit but you told me to wait, too m  
uch on yo plate, too much for a date, made reservations for us  
that you say you can't make, and I wasn't even late, and I wasn  
't feelin great girl

You should get your jacket cause you know it's gettin colder, i  
cin on the ground cause it's the middle of October, swear I wan  
na tell her all the things I never told her oh

You told me millions of types of lies, like what the fuck, and  
everytime that I look in your eyes, they tell me nothing, and y  
ou know I'm not good at goodbyes, but listen up it's a wrap

Tired a feelin woke, fuck that gin and coke, burnin around my t  
hroat, burnin around like rope, I turned it around then froze,  
like burnin around my nose, I'm a monster about my rose, like m  
urder about she wrote

When we become this fuckin static, was it before I got the roll  
y or the patek, it's too cold outside for you to fuckin panic,  
better wrap up cause I'm boutta send you packin, lackin

You should get your jacket cause you know it's gettin colder, i  
cin on the ground cause it's the middle of October, swear I wan  
na tell her all the things I never told her oh
