82MAJOR

I got a big tongue, okay, wish you would like FaceTime, yeah
Vuitton on screen, okay, big backed, all my bros, yeah
Look at my neck, yeah, kiss all on my face, yeah
What you want more of diamonds or them pearls, yeah?

Wait, wait, wait, wait, wait, uh
We don't want tips, get out of my face like
Wait, wait, wait, uh
I'm better now, dancing, hit the wave, moonwalk, Mike J
