

# I Hate Myself

88 Fingers Louie

Walking down a crowded street  
I stop to get something to eat  
And I hope I see no one I know  
Out of the blue I see my ex  
I think she's looking for some sex  
But I tell her I don't want to go

Some people ask me why I feel this way  
I look at them and tell them just go away  
I hate myself and everyone else

I just wanna be alone  
No one to call me on the phone  
Then I know I can be by myself  
Just my luck I get a call  
I can't get any sleep at all  
So I tell 'em all to go to hell

Some people ask me why I feel this way  
I look at them and tell them just go away  
I hate myself and everyone else

Some people ask me why I feel this way  
I look at them and tell them just go away  
I hate myself and everyone else  
I hate myself - I hate myself  
I hate myself - I hate myself
