

New Direction

88 Fingers Louie

What do you mean it's time
Time for me to grow up?
I don't want any part
It's right to follow my heart

The new kids ran
Ran out the back door fast
And the bands that came before
They had their noses in the air

Pretending that they cared about our scene
Just because our money's green
I'll tell you stage dives
Make me feel more alive

Than coded messages in slowed down songs
Now you're so ashamed
Now I'm so ashamed of you
We believed the same things

You stand to the side
Rebirth of hardcore pride
It all came true
Too bad you can't see

All the good things that I see
