88 Fingers Louie

Whenever I'm alone with you I keep to myself
It's not because I'm bored with you it must be my health
I feel like I'm a little kid afraid to go to school
I lock myself inside my room and act like a fool

I don't know why and I don't miss it
I want to cry and no one's listenin'
I don't know why? I don't know why?

The phone keeps ringing but I'm not home or maybe I am
The world outside is not the same, I don't give a damn
I lie around in bed all day the ceiling's all I see
You try to take me out the door but I won't leave

I don't know why and I don't miss it
I want to cry and no one's listenin'
I don't know why? I don't know why?

On my own
I'm afraid
All my feelings
Seem the same

Feel the same
