Baby-makin' hips, ain't gon' trip
Rocking raw for months now
(You can call me pull-out master)
But if by chance I come to short

Cause I'm your father
(Suffers even when it's you to blame)

(People say he looks just like me)
But I haven't seen her in a while
(Ever since she tried to fight me)
Know she's permanent

(Looka here at what I started)
But if I lay that pipe down?
(Maybe then she'll drop the charges)
Vicious cycle, (cycle) cycle
Girl is psycho
Yes, she's loco
No, she's sexy as she wanna be
It was all my phony words
(Babies making babies making)

(It's true)
But that shit didn't last too long
Going through it

You know Adam from uptown, right? I can't believe he's gone
