New tat can't hop in no pool
New Patek bust down shit cool
Who's that Dior print on the shoe
Falling for me save a hoe no parachute
All your three friends come right in
But the damn guys gotta lose it
Baby I'm the captain of dis crew ship
Baby I'm the captain of dis crew ship

Ya I fucked that bitch I'm aware
Checked on u made sure u was there
Live a crazy life one we can't compare
Dirty secrets that I can't share
Pulled off they live n say shit
Road by they ha ha
Pulled up and they laughed
Road by they ain't say shit
Smoked out the coup
Foreign looking like a gas chamber
All these kills I need a nuke
Different color all pills all danger
Tromba in the goup

Push the damn gas on the Lexus
Push the damn gas on the Lexus

New tat can't hop in no pool

Who's that Dior print on the shoe
Falling for me save a hoe no parachute
All your three friends come right in
But the damn guys gotta lose it
Baby I'm the captain of dis crew ship
Baby I'm the captain of dis crew ship (Yeah, yeah oh)

Ride me like a bike heard you scared of heights
Running up these bands said I'm not your type
Surprise my nose ain't runny got on all this ice
I was on my slither I'm around these slimes
Drop top when I'm hopping out the coupe (Yeah, drop top)
Top off like I'm pushing back the roof (Yeah)
New foreign yeah a nigga slide (skrrrttt)
Whose loyal yeah I made her switch sides

All black heart
That bitch is a shark (all for you)
And I got up next have you noticed
I don't think the Percs even hitting (hitting)
Diamond don't make a sound when it's hitting
Driving way out town for a mission (driving way out of town)
All black heart (yeah)
Diamonds in my chain look like rainbow
Why even talk about it they know
We them young niggas on the map this time (time, time)
I could put up shots every time and I'm fine (fine)
