How you got it on you when you gon' seize up (Seize up)
Got my Styrofoam 2 so I'm T'd up (Teed up)
Vs swing like a young Derek Jeter
From the hood I made the switch
Yeah the hills is where I live
Put my stacks together put that Mille on my wrist
Now my bank account ain't Swiss
Money blue just like a crip
Put that on a line and double up just like a brick
18 wheels nah but this shit a big body
In my feels nah that is how you get bodied (Get bodied)
In your heels yeah love it when you get naughty (get naughty)
In the field yeah I can let them get by me

All of these racks I got no change
Pocket of hoes ain't no complaints
Putting some horses on my V
Putting some Trojans on my D
Spent 5K on mattress and a nigga hardly sleep
Spending 15 on a bag 'cause a nigga always cheats
