

Yeah, yeah

Yeah

Dedication bitch I made it happen

It wasn't easy hit the block I'm early morning trapping (Trap)

They ain't want static they ain't with it catch my opp in traffic (Yeah)

And they ain't trying me or testing me they know I'm savage (Pew, no they ain't)

They ain't got baggage they ain't making no automatics

Tried to get it then I got it wish I never had it

This hunger growing buy the Rollie now he want a Patek

And when I travel put a pint in my carry on

Woo yeah birdz

Yeah Gucci diamond on my fur (Gucci fur)

Talking all that shit so show me first (yeah, yeah, yeah)

Penthouse from the trap I been through worse

Now she wanna show me what she worth

Yeah birds

Yeah Gucci diamond on my fur (what she running for)

Talking all that shit so show me first (Yeah)

Penthouse from the trap I been through worse (What she running for)

Now she wanna show me what she worth

Candy paint capris and now the rims is poking out

Telling me she want to fuck she at the Playboy mansion now (Fuck sh-)

I can't do no lease I got big bags in my account (My)

And I fuck with that baddie on that bike from out of town (Town)

Mark of the beast yeah my heart is in pieces

Ice on my leash is the price of my features

Tight skinny jeans super nice when I squeeze it

Life's like a breeze when I pop an eazy E

Lots of you wolves in disguise now

Told you it was yours but it's mine now

And I know it's gone be long way down

I took too much molly need to lay down

Woo yeah birdz

Yeah Gucci diamond on my fur (Gucci fur)

Talking all that shit so show me first (yeah, yeah, yeah)

Pills from the trap I been through worse

Now she wanna show me what she worth

Yeah birds

Yeah Gucci diamond on my fur (what she running for)

Talking all that shit so show me first (Yeah)

Pills from the trap I been through worse (What she running for)

Now she wanna show me what she worth

(Aye)

These niggas know we 'bout that action

Picture me rollin' with toozy

Big banano on the Drako

With all these clips like I make movies

He made a diss over the internet like this what he gone do

Just like a boss I drop a check they spent with ARs is the news

Look at the 30 and the Glizzy it look like guitar

These niggas know I live my life just like a fucking rockstar  
The way I'm rolling all the ganja they thought I was rasta  
Nigga know a thankful s  
We be on the block hard yeah  
We be dodging cop cars  
I be sipping red codeine that Actavis and Wockhardt  
With two fingers want that playboy we be on the ballpark  
Got a thirsty bitch who made it I'mma fuck her all night

(Birdzzzz)
