Kitchen Witch

88GLAM

Yeah, yeah
Oh, yeah, yeah

I keep a witch, keep a witch in my kitchen (In my kitchen)
I keep a stick, keep a stick on my hitman (On my hitman)
Always had bubblegum dreams (Bubblegum dreams)
Remember the day that they didn't wanna listen
New freezer, now my wrist like anesthesia, ayy
I dropped out, dropped the top, drove past my teacher, ayy (On my top)
I like a girl wipin' me off, then I delete her
'Cedes coupe, used to trap out of the Regal (Ooh)

Lit, lit, like a cherry, I'm lit (Like a cherry)
My birds is canary, got bricks (Brr)
Say it and they spray in your face for commission
Take trips, but I untie my lace for my mission
iPhone unlockin' with face recognition
Play with my digits, I'm payin' a visit, I'm wet
You look super, show me and a missionary
Keep my jewelry on me in a cemetery

Lit up broad day inside a party (In a party)
88 gon' pull up in a 'Rari, whoa (Skrrt)
Smashin' on your bitch, that's how the story go (Yeah)
I don't play no games, I make it rain on a ho (Rain, ho)
Breitling, diamond they lightning (Don't do the Breitling)
Chain is powdered donut mixed with the icing (Swing, ooh)
Audemar right hand (Yeah), I don't do fightin' (No)
Bullets bite him, we don't like him (We don't like)

I keep a witch, keep a witch in my kitchen (In my kitchen)
I keep a stick, keep a stick on my hitman (On my hitman)
Always had bubblegum dreams (Bubblegum dreams)
Remember the day that they didn't wanna listen
New freezer, now my wrist like anesthesia, ayy
I dropped out, dropped the top, drove past my teacher, ayy (On my top)
I like a girl wipin' me off, then I delete her
'Cedes coupe, used to trap out of the Regal (Ooh)

Droppin' off my top on the Range Rove' (On my drop)
Uh, trappin' all these nights in the same clothes (Yeah)
Yeah, I done made a play all by my goddamn self (Yeah)
Came up on my own and never need no help (No)
Bustin' that bitch open like she run a titan (Yeah yeah)
After I go smash and I'm sayin', "Bye, friend" (Yeah yeah)
Private flight, I'ma fly her to my next arena (Fly her out)
Get that pussy wet like I'm in Marina (Yeah)

I feel like a lawyer 'cause I got 'em by the case (Ooh, yeah)
GT with a spoiler, seven nineteen, I can't erase
This a must like alarm, we don't talk, big face
This exactly what I thought, we gon' need more space (Yeah)
But I creep through them ends (Through them ends)
Keep a sharp shooter, he know me (He know me)
All that snot, yeah it's not when we kiss (Kiss)
This my first time takin' risks (Takin' risks)

I keep a witch, keep a witch in my kitchen (In my kitchen)
I keep a stick, keep a stick on my hitman (On my hitman)
Always had bubblegum dreams (Bubblegum dreams)
Remember the day that they didn't wanna listen
New freezer, now my wrist like anesthesia, ayy
I dropped out, dropped the top, drove past my teacher, ayy (On my top)
I like a girl wipin' me off, then I delete her
'Cedes coupe, used to trap out of the Regal (Ooh)
