But this ain't a theatre  
She witta lame

Numbers exchange  
Now da glam go deeper

(Yeaaa)  
Run it up  
Flew her to my city for the summer  
Young rich nigga  
Look like Stunna  
I be pulling out when I'm coming  
She tattin up my name on her stomach  
Knew she was fuckin a star  
Yung nigga raisin da bar  
Droppin da roof on da car  
Smokin da boof in da car  
Adding the points on da board  
Tired of checking score  
So I dont check it no more  
Taking me off of the court

You just want a nigga cause he's bad and bigger  
Come spend all these racks girl come get lavish with me (nigga)  
You could so do better  
Told you that you could do (average)

Fuck on Nabirisha, but she's not a keeper  
Got vagina waiting at Spadina station  
Down on Queen and; Broadview  
Used to say I got you  
This was just a one off, ain't no part two  
Knew it from the start though  
That's why I left you heartbroke  
Pack up like a parcel  
That's for lying like a barcode  
Birds chirping just to fill the void  
Doves in the backseat with the boys  
88Camino going fast  
If she keep twerking I'm gon' crash  
Used to come up short and that's just facts  
These days I be tapping glass

You just want a nigga cause he's bad and bigger  
Come spend all these racks girl come get lavish with me (nigga)  
You could so do better  
Told you that you could do (average)
