

## Snow Globe

88GLAM

Neck look like a snow globe, packin' like a killer (Snow globe)  
Treat these bitches stone cold, stunner, I'm a slammer  
Molly make her nose cold, got that shit from Candler  
She stripped on my North Pole, got that shit on camera  
MoneyMusik

First thing I'ma buy with my investment, brand new hammer  
Treat these bitches stone cold, stunner, I'm a slammer  
Molly make her nose cold, got that shit from Candler  
She stripped on my North Pole, got that shit on camera

Fuck it, I might hit a stain on myself  
Fuck it, I might make it rain on myself (Rain on myself)  
Needle and ink, tat my name on myself (Name on myself)  
I need a shrink, got too big for myself (Big for myself)  
Fuck it, I might make it rain on myself  
Film of the acid remain on my shelf  
Marilyn Manson, Cobain, I need help (Cobain, I need help)  
I need a shrink, got too big for myself  
Bitch I'm with it, it's a lick  
In your city, different chips  
Bitch I'm with it, it's a lick  
Different city, different chip  
Acid trip, different drip  
We got a ship on the cross  
Super trap whip, I need nos  
Run up my check, Randy Moss  
Mino threat, he legit  
Mino threat, he legit  
Mino threat, he legit  
In your city and it's lit  
In your bity, with your bitch  
In your city and it's lit  
In your bity, with your bitch  
In your city and it's lit

Energizer, booted up  
Only time she phonin' up  
I been blowin' through these racks  
All these hundreds got me numb  
That was last week (Woo)  
Run up a check at the spot, ooh  
Hop out the foreign, no top, ooh (Key)  
Coupe costs the same as the watch, ooh  
She got a good girl, I like when she gon' dance on me  
I make that bitch rain, the forecast gon' change on me  
I can't fall deep in these feelings, ain't sane to me  
She like to talk shit but back it, no playin' me
