I don't wanna wait another night
I don't wanna pass the moment by
If you wanna stay then I don't mind
Let's take it slow til it feels right

Can we turn around do a 180
And you know I'm thinking bout you lately
Kinda got my heartbeat escalating
Can we turn around do a 180
And you know I'm thinking bout you lately
Kinda got my heartbeat escalating

I don't wanna wait another night
I don't wanna pass the moment by
If you wanna stay then I don't mind
Let's take it slow til it feels right
