My life off a beam  
My life off a beam  
I just spilled a drink all on my jeans  
I-I just spend like 15 on these jeans  
Popped the Bentley then I spread my wings  
Fucked a bitch named Brittany, she so mean  
My bitch so leaned out, she on her knees  
I pour up a that dirty on lean

Bought a Bentley coupe

Sunset in my key  
Your bitch on her knee  
Your bitch gave me key  
Your bitch know the key  
Your bitch on that white  
Your hoe oversea  
Molly be her beam

Miley Cyrus girl, (hold up)  
Why these hoes on lean (hold up)  
Why that boy on lean, yeah
