Nobody needs to know our secreto
Dale contigo, solo es mío
Day trips to Rio, I'll show you my life
I'll grant your wishes, besos and kisses
Soy negro y dulce come touch it tonight (Ey)

Rich!
Too many temptations are around me
Fix my hair up in the mirror when you call me
You got your body, I got mine, I ain't sorry
I miss the feeling when you were slowly riding on me
Back in September, you were my angel
You were my angel, I just needed your love
No estaba concentrado, but now I'm ready
I got the time, you got the place, just name it
