

I am face to face  
With a world in which  
The boundaries of reality and dream  
Are no longer in existence

A new kind of world  
Fireflies roam the forest freely  
Blue ocean lies in front of the red desert  
In the center of it all, an abandoned city

I hear a faint whisper from afar  
The reason why I stand here is you  
Your voice is the guide to my soul  
Every step unveils an escapade  
Like a fairy tale  
Yet soon to be a legend is our story

Someone call me  
Someone call me

Neowa naneun make it right

Feel like you baby  
Deo binnajwo baby
