

All Of My Nightmares Are Blessings

93FEETOFSMOKE

All of my nightmares are blessings
I'm manic as fuck, see you staring
This simulation's overwhelming
Please take off your shoes, LA's dirty

Remember when I used to care so much?
And lately can't be bothered, does it hurt enough?
Have you noticed that my head is fucked?
Can't you tell I've just 'bout had enough?

All of my nightmares are blessings
I'm manic as fuck, see you staring
This simulation's overwhelming
Please take off your shoes, LA's dirty
