

Pink On Ur Nails, Blood On My Back

93FEETOFSMOKE

Bet I'd miss that
Bet I'd miss that
Pink on your nails
Blood on my back

I say fuck that
I'm always sayin' fuck that
Ffckfckfkck

Yes I'd miss that
Guess I'd miss that
Pink on your nails
Blood on my back

I say fuck that
I'm always sayin' fuck that
Momma hit me up
To say don't hit me back

Walk on dirt thrones
Til u sink in
I know your just as lost
But good at faking
Flick ash on the couch that I'm sitting
Wish I could spare it and combust instead
All of your faces are mirrors
Fighting reflections we hate ourselves in

Bet I'd miss that
Bet I'd miss that
Pink on your nails
Blood on my back

I say fuck that
I'm always sayin' fuck that
Ffckfckfkck

Yes I'd miss that
Guess I'd miss that
Pink on your nails
Blood on my back

I say fuck that
I'm always sayin' fuck that
Momma hit me up
To say don't hit me back

I want the sky to grab me
And shake me by the head
I want the sea to take your feet
And pull you deep within
Remember we were drunk
But we weren't afraid of shit
I want the flames stop
But I can't tell where they begin

Bet I'd miss that

Bet I'd miss that
Pink on your nails
Blood on my back

I say fuck that
Always sayin' fuck that
I say fuck that
Always sayin' fuck that

Bet I'd miss that
Bet I'd miss that
Pink on your nails
Blood on my back

I say fuck that
Always sayin' fuck that
I say fuck that
Always sayin' fuck that
