

## quantumoon (landing sequence)

93FEETOSMOKE

Got my head in the clouds  
And I keep falling down  
And I'm riding my bike  
By your window  
All my friends out of town  
So I sit on the couch  
And I wonder  
Where all of the time goes

Seasons still roll  
And the moon lighting up  
The old path that we took  
To the lookout  
Boxes of photos  
Stored high in the closet  
Reminders of summer  
And crossbows

Want it back yeah I do  
And I hope you would too  
And I hope you would too  
But I don't know  
Want it back yeah I do  
And I hope you would too  
And I hope you would too  
But I don't know

"Seeing something in the woods?"  
Do you see that? What is it?  
It's right there  
Do you see it?  
Wait where?  
There?  
Oh my God  
Do you see that?  
Oh God
