

## running circles

93FEETOFSMOKE

I don't wanna do it to you  
Don't wanna do it to myself  
Uh uh uh uh  
Keep on running circles 'round it  
I don't wanna do it to you  
Don't wanna do it to myself  
Uh uh uh uh  
Keep on running from my problems  
I don't wanna do it to you  
Don't wanna do it to myself  
Uh uh uh uh  
Keep on running circles 'round it  
I don't wanna do it to you  
Don't wanna do it to myself  
Uh uh uh uh  
Keep on running from my problems

Hard to care waking up  
At the end of the bed  
All the things unsaid  
I lost  
Who I was  
It's a shot in the dark  
Tryna claim what the hell  
I thought  
That I want  
Til I grind  
And I ground  
Myself back into dust  
As it was  
And it repeats again  
And it repeats again

I don't wanna do it to you  
Don't wanna do it to myself  
Uh uh uh uh  
Keep on running circles 'round it  
I don't wanna do it to you  
Don't wanna do it to myself  
Uh uh uh uh  
Keep on running from my problems  
I don't wanna do it to you  
Don't wanna do it to myself  
Uh uh uh uh  
Keep on running circles 'round it  
I don't wanna do it to you  
Don't wanna do it to myself  
Uh uh uh uh  
Keep on running from my problems
