

See U In the Ashes When I Cash Out

93FEETOFSMOKE

Tryna calm down
In my life, I've got so much to hold down
I'm not what you deserve, but what you need now
You know I still see you in the ashes when I cash out
Even when the moment still frame, you're just a flash now
Just tryna calm down
In my life, I've got so much to hold down
Thousand tons of pressure, tryna breathe now
I just wanna sleep sound
Ride the wave and dive down
I'm empty like your soul now
Sleeping on the cold ground

Oceans stretch, like my dollar, I'm so pressed flat
Shaking this whole week
I've spent hours getting lost time back
You knew I would eat up anything, so you would lie about it
Holding in the smoke, manifesting in release now

Just tryna calm down
In my life I've got so much to hold down
Thousand tons of pressure, tryna breathe now
I just wanna sleep sound
Ride the wave and dive down
I'm empty like your soul now
Sleeping on the cold ground
Tryna calm down
In my life, I've got so much to hold down
I'm not what you deserve, but what you need now
You know I still see you in the ashes when I cash out
Even when the moment still frame, you're just a flash now
