To be honest
I don't think that I'm on it
But I fake it and I flaunt it
Why's it so hard to be honest?

To be honest
I don't think that I'm on it
But I fake it and I flaunt it
Why's it so hard to be honest?

50 pounds, sew it in the couch
Dig it out, imma tax the town
Hadda stunt, I get what I want
9 of clubs, 3s to pick it up

Only hit me up when you really need
I don't wanna talk bout a god damn thing
Only hit me up when you really need
I don't wanna talk bout a god damn thing

To be honest
I don't think that I'm on it
But I fake it and I flaunt it
Why's it so hard to be honest?

Friends on read In my pocket
Disassociate inside of a target
Wanna hit 'em back but my fingers so lethargic
Why you gotta hate?
Why you see me as a target?
Why these busta browns
Suburban boy barkin'?
Internet poison, slingin' on the market
I was selling 4's, hella broke, just larkin'
Hadda lotta jokes till his nose was on the carpet

To be honest
I don't think that I'm on it
But I fake it and I flaunt it
Why's it so hard to be honest?
