

Two Feet (Bummer Cut)

93FEETOFSMOKE

Never felt the way I do now
Couple years numb but not like this
Fucking up my head, god damn bruh
Used to have heart, you took that shit

I don't really need nobody
I just wanna keep on my two feet
I just wanna know
Where to go when I need you
I'm not on my knees
I don't really need nobody
I just wanna keep on my own two feet, yea
I don't really need nobody
I just wanna be, wait

Yea I know it's not the
Same these days now
Never let the
Xannies taste now
Seen it in the lies
This storm's coming
Fire and the heart has
Been thumping
But you don't listen to me

Bitch, you never listen to me
Bitch, you never listen to me
You never listen to me

Two stones yea 'cause the
Lemonade's comin' in
You a funny boy
Package, paper, plastic boy
Feel fantastic boy
[?] pre-packaged boy
We could have it all
But you don't listen to me

Bitch, you never listen to me
Bitch, you never listen to me
You never listen to me

I don't really need nobody
I don't really need nobody
I don't really need nobody
I don't wanna need somebody
