I said  
Why  
All my angels cry  
Why  
Like why  
Why  
Like why  
Why

Said why  
All my angels cry  
Oceans from their eyes  
Heaven looks so nice  
Like why

Lock me in your room  
Menthols her perfume  
It'd kill me if you knew  
What I'd do for you

Like why

Said why  
All my angels cry  
Oceans from their eyes
