

## Invisible Man

98 Degrees

You can hardly  
wait to tell all your friends  
How his kisses taste sweet like wine  
And how he always  
makes your heart skip a beat  
Every time he walks by  
And if you're feeling down  
He'll pick you up  
He'll hold you close when  
you're makin' love  
He's everything  
you've been dreaming of  
Oh baby

I wish you'd look at me that way  
Your beautiful eyes  
lookin' deep into mine  
Telling me more than  
any words could say  
But you don't even know I'm alive  
Baby to you all I am  
Is the invisible man

You probably spend  
hours on the phone  
Talkin' 'bout nothing at all  
It doesn't matter  
what the conversation  
Just as long as he called  
Lost in a love so real  
And so sincere  
You wipe away each other's tears  
Your face lights up  
whenever he appears

I see you all the time baby  
The way you look at him  
I wish it was me sweetheart  
Boy I wish it was me  
But I guess I'll never be...
