

## Let Go Of My Heart

98 Degrees

I don't want to know  
How you've been  
Cause every time I ask it always starts to hurt again  
I don't want to hear  
The same old voice  
Cause it draws me in, its like I'm left without a choice  
And you know what you do  
And I can't move on until you

Let go of my heart and let it beat again for someone  
You've left your mark  
It's twisted and it's bad to know  
You're only holding on to who we were not who we are  
So please, if you ever loved me  
Let go of my heart

I'm not as strong as I'd like to be  
So I know that you can leave the leaving up to me  
You're like a cigarette  
I quit and light again  
But once I take a drag my lungs start closing in  
And you know what you do (what you do) but still I can't get to  
you

Let go of my heart and let it beat again for someone  
You've left your mark  
It's twisted and it's bad to know  
You're only holding on to who we were not who we are  
So please, if you ever loved me  
Let go of my heart, my heart

Let go of my heart and let it beat again for someone  
You've left your mark  
It's twisted and it's bad to know  
You're only holding on to who we were not who we are  
So please, if you ever loved me  
Oh baby please  
If you still love me  
Let go of my heart
